**NOTICE OF PROPOSED AWARDS (Revised)****Alternative and Renewable Fuel and Vehicle Technology Program  
Grant Solicitation GFO-16-601  
Zero-Emission Vehicle Regional Readiness and Planning  
Solicitation****March 8, 2017**

On October 17, 2016, the California Energy Commission (Energy Commission) released a Grant Solicitation and Application Package entitled “Zero Emission Vehicle (ZEV) Readiness” under the Alternative and Renewable Fuel and Vehicle Technology Program (ARFVTP). This first-come, first-served grant solicitation was an offer to fund projects that support new and existing planning efforts for zero-emission vehicles (battery-electric vehicles and hydrogen fuel cell electric vehicles, and plug-in hybrid electric vehicles).

The attached table, “Revised Notice of Proposed Awards”, identifies additional applicants selected and recommended for funding by Energy Commission staff and includes the amount of recommended funding and score. This notice is being mailed to all parties who submitted an application to this solicitation and is also posted on the Energy Commission’s website at: <http://www.energy.ca.gov/contracts/index.html>.

Funding of proposed projects resulting from this solicitation is contingent upon the approval of these projects at a publicly noticed Energy Commission Business Meeting and execution of a grant agreement. If the Energy Commission is unable to timely negotiate and execute a funding agreement with an Applicant, the Energy Commission, at its sole discretion, reserves the right to cancel the pending award.

Questions should be directed to: Kevyn Piper  
Contracts, Grants and Loans Officer
