**NOTICE OF PROPOSED AWARD****Alternative and Renewable Fuel and Vehicle Technology Program****Grant Solicitation GFO-16-605  
Innovative Service Mobility Demonstrations  
with Zero-Emission Vehicles  
September 12, 2017**

On March 9, 2017, the California Energy Commission (Energy Commission) released a Grant Solicitation and Application Package entitled “Innovative Service Mobility Demonstrations with Zero-Emission Vehicles” under the Alternative and Renewable Fuel and Vehicle Technology Program (ARFVTP). This grant solicitation was an offer to fund at least four projects that demonstrate innovative electric vehicle mobility services in four specified regions in California. Applications were scored by region. The grant solicitation announced that there is a total of \$3.0 million available for the agreements resulting from this solicitation and that the Energy Commission, at its sole discretion, reserves the right to increase or reduce the amount of funds available.

The attached table, “Notice of Proposed Awards”, identifies each applicant selected and recommended for funding by Energy Commission staff and includes the amount of recommended funding and score. This notice is being mailed to all parties who submitted an application to this solicitation and is also posted on the Energy Commission’s website at: <http://www.energy.ca.gov/contracts/index.html>.

Funding of proposed projects resulting from this solicitation is contingent upon the approval of these projects at a publicly noticed Energy Commission Business Meeting and execution of a grant agreement.
