

## CALIFORNIA ENERGY COMMISSION

1516 NINTH STREET  
SACRAMENTO, CA 95814-5512  
www.energy.ca.gov

**GFO-17-605  
Addendum 1**

**February 20, 2018**

**California Air District Natural Gas Vehicles Solicitation**

The purpose of this addendum is to add a specific time to the deadline to submit applications, update contact information, clarify Eligible Project Requirements, clarify which attachments must be submitted (the Scopes of Work are there so that applicants know what is expected, but does not need to be submitted), add the option for Letters of support, clarify the evaluation criteria, and update the Project Narrative Form in two places. New language is indicated in **bold underlined** font and deleted language is indicated in ~~strikethrough~~-font.

From page 5 of the application manual Section I;

**B. KEY ACTIVITIES AND DATES**

### D. APPLICATION ORGANIZATION [...]

6. **Letters of Support (OPTIONAL)**  
**Applicants may include letters of support from stakeholders to further demonstrate the benefits of their program.**

From page 17 of the application manual Section IV;

<p><b>3. Program Effectiveness</b>            Applications will be evaluated on the degree to which:</p> <ul style="list-style-type: none"> <li>• The California Air District’s program demonstrates efficient progress in processing existing funds.</li> <li>• The California Air District’s program demonstrates effective evaluation of their fund recipients.</li> <li>• The previously awarded projects under the applicant’s program have been successful or are making good progress.</li> <li>• <b><u>Natural gas vehicle deployments are expedited.</u></b></li> </ul>	30
--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----

From page 1 of Attachment 5 Project Narrative Form;

**Describe the project.**

Include a detailed description of the proposed project, the funding program(s) it is supporting, its operational goals and objectives, and an explanation of the projects eligible to receive funding. Include the funding announcement. You may upload the documents, or provide a link.

*[Insert Response]*

Describe the types of natural gas vehicles that are eligible, **the incentive per vehicle,** and how much funding is needed for vehicles.

From page 2 of Attachment 5 Project Narrative Form

**3. Program Effectiveness**

Describe the process of the Air District's program, and how it has (or will) resulted in efficient dispersal of funds, **and expedites natural gas vehicle deployments.**

**Brad Worster,  
Commission Agreement Officer**
