**NOTICE OF PROPOSED AWARD****Alternative and Renewable Fuel and Vehicle Technology Program****Grant Solicitation GFO-17-605
California Air District Natural Gas Vehicles Solicitation
APRIL 5, 2018**

On January 26, 2018, the California Energy Commission (Energy Commission) released a Grant Solicitation and Application Package entitled "California Air District Natural Gas Vehicles Solicitation" under the Alternative and Renewable Fuel and Vehicle Technology Program (ARFVTP). This grant solicitation announced the availability of up to \$10 million for California Air Districts to fund their existing or planned incentive programs for compressed natural gas (CNG) vehicles. The grant solicitation stated the Energy Commission, at its sole discretion, reserves the right to increase or reduce the amount of funds available. This Notice of Proposed Awards increases that funding to \$16 million.

The attached table, "Notice of Proposed Awards," identifies each applicant selected and recommended for funding by Energy Commission staff and includes the amount of recommended funding and score. This notice is being mailed to all parties who submitted an application to this solicitation and is also posted on the Energy Commission's website at: <http://www.energy.ca.gov/contracts/index.html>.

Funding of proposed projects resulting from this solicitation is contingent upon the approval of these projects at a publicly noticed Energy Commission Business Meeting and execution of a grant agreement.
